Dear Prospective Cadets

We are looking forward to seeing you at our New Student Orientation Program (NSOP) on 14 Aug 07. This letter is going out to those that have confirmed attendance with us for this year's NSOP.

As a reminder, please turn in your orientation registration forms and checks if you have not done so. If you don't believe that there will not be enough time for the funds to get here prior to orientation via postal service, then please bring them with you.

Do not forget to bring the mandatory items with you to orientation (drivers license or other form of ID, Social Security card, Selective Service Registration Card (Males over age of 18), Birth certificate or proof of naturalization, ACT and/or SAT scores, Transcript (high school or most current college transcript), Pre-Participatory Sports Physical (if you have not mailed it in to us), copy of Civil Air Patrol Awards (Mitchell, Earhart, or Spaatz) or JROTC certificates of completion).

No other documents are required at this time. IIT and Lewis University students should have enrolled in the Aerospace Studies (AS) classes through their registrar. All other crosstown students will be registered during orientation.

For inprocessing, you can wear your khaki pants and shirt of choice. You will be told what to change into once you arrive. Grooming standards should be adhered to prior to arrival.

We are expecting a good number of incoming cadets and we are working hard to finalize the program for you. In order for this activity to be successful we'll need your help in ensuring that you arrive on time and come prepared and motivated to learn.

If something occurs where you will not be able to attend or you will be arriving late, please let us know in advance. You can call our main office at (312) 567-3525 on the first day of orientation if you can't find us or you know you will be arriving late.

Please note a **change to the barbecue lunch** on Friday, 17 Aug 07. The lunch will take place on the north side of the McCormick Tribune Campus Center near the tennis courts. If you have any other questions or concerns, please contact me at acosta@iit.edu or call me at 312-567-3807. More information about our detachment can be found on our website, www.afrotc.iit.edu.

Sincerely
